July 8 - 14, 2014

Contesting's Best are Coming to New England!

In July 2014 the world's top radio contesters will converge on the Northeast United States for the 7th World Radiosport Team Championship. This will be the first WRTC held in the United States since 1996.

Removing the variables of geography, power, and antennas, 59 two-operator all-star teams will battle for personal and national pride on a world stage.

More than just a competition, WRTC is an opportunity for competitors, referees, and visitors from around the world to make and renew friendships.

WRTC 2014 needs your help.

Funding for construction of the 59 stations comes from the generosity of the contesting community. Donations via PayPal to donations@wrtc2014.org. WRTC2014, Inc. is an IRS approved 501(c)(3) public charity.

Participate in person or on the air...Plan to be a part of WRTC 2014!
